VILA SOL

This detached 2 storey villa, sits in the exclusive Vila Sol resort and was built to an extremely high standard, with contemporary finishings throughout.

As soon as you cross the front gate, you are greeted by a beautiful Portuguese calçada and a well-kept landscaped garden that carries on around the property.

When you walk inside, you will find that the interior is boasted with natural light coming from the many large double-glazed windows.

The open plan kitchen and dining room stretches up to a split level living room making it a large open space, ideal for those family and friend reunions where everyone can be on their own space but close together.

The living room opens to a pergola covered terrace, fantastic for relaxation and to enjoy those “al-fresco” meals, whilst overlooking the Roman style swimming pool.
