Near Vale do Lobo

Surrounded by a breathtaking and unspoiled pine trees forest, this charming 3 bed villa is only a short stroll to the entrance of Vale do Lobo. The property is sold with a modern designed 5 bedroom project to be submitted to the Local Council by the new owner which will then provide the new owner the opportunity to personalise and finish the property to their own standards.

The villa offers 2 possibilities, either modernise the existing 3 bed villa or modernise and extend it into a 5 bed + office and basement with a total building area of 380m² with an estimated costs of €750.000 subject to personal finishings
